

HANDWRITING C h e c k L i s t

When you are writing, ask yourself these questions:

- Am I forming my letters correctly?
- Am I writing on the lines?
- Am I leaving space between my words and letters?
- Are my capital letters bigger than my lower-case letters?
- Are my tall letters (b, d, f, h, k, l, t) reaching the top of the line (or are my tall tree letters reaching the sky)?
- Are my letters with tails (g, j, p, q, y) falling below the bottom line (or are my letters digging into the ground)?
- Am I taking my time?
- Can I read my writing?
- Did I start at the left margin and stop at the right margin?
